

MGT-326: Developing Emergency Management Programs for Tribal Nations

Tribal Nations Readiness and Resilience Training

Course Description (Coming Soon)

This seven-hour course focuses on developing and improving emergency management programs within Tribal Nations. It reviews the unique challenges faced by Tribal Nations in emergency preparedness and response, and the opportunities to integrate Tribal knowledge and resiliency into these programs. Participants will gain practical insights into crafting effective Emergency Operations Plans, leveraging Incident Command Systems, fostering collaboration with internal and external partners, and synthesizing the key components for building resilient emergency management programs tailored to Tribal Nations' cultural contexts.

About this Course

This management-level, seven-hour course focuses on developing and improving emergency management programs within Tribal Nations.

By the end of this training, learners will be able to:

- Synthesize the components for building a solid and effective emergency management program within Tribal Nations.
- Analyze the needs for emergency response within Tribal Nations.
